

Tax Planning

Have you reviewed your affairs lately?

Everyone dislikes paying tax but in the end we all have to pay our share.

Griffins have a range of tax planning services to help you ensure you are minimising your tax bill.

Incorporation tax planning- If you are a soletrader or partnership have you considered the legal structure of your business. Are you aware of the tax savings that can be made from incorporating. Let us look at the numbers for you and discuss the advantages and disadvantages.

Tax efficient remuneration- Do you know how to efficiently extract your profits out of the business and keep on the correct side of legislation? If not come and see us.

Company Car Tax Planning- The benefit in kind on cars is so high that in many cases it is preferable to own the car personally. Let us calculate for you the various options there are to ensure you are running your cars in a tax efficient manner.

IHT/Estate Planning- Will your estate be paying over unnecessary tax on your death? We can build a creative plan to minimise IHT enabling you to pass more of your hard earned capital to future generations.

Capital Gains Tax Planning- Are you making use of your annual exemptions and relief's? If you are planning to sell your business in the short or medium term have you ensured you are minimising your tax liability on the sale?

Business Tax Planning / Personal Tax Planning- We will review your affairs and ensure you are aware of all tax savings that could be made.
